This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the Commission Staff for a Rule to Show Cause against Patricia O'Neal DBA McClain Moving concerning irregularities found in a recent Tariff Compliance Audit.

On August 30, 1994, a compliance audit was completed on Patricia O'Neal DBA McClain Moving. Staff's audit of the test year ending December 31, 1994, found the following exceptions:

1. The motor carrier's combination bills of lading/waybills are not prenumbered.
2. The motor carrier did not use the rates which were on file with the Commission during the test period.
3. Many of the carrier's bills contained incomplete information for either the point of origin or destination.
4. The motor carrier had not filed a 1993 Annual Report

with the Commission. (The motor carrier has now filed a 1993 Annual Report with the Commission thereby curing this exception.)

It appearing to the Commission that Patricia O'Neal DBA McClain Moving has failed to comply with the Rules and Regulations of this Commission regarding the motor carrier's operations and has failed to comply with the Motor Vehicle Carrier Law of South Carolina:

IT IS SO ORDERED:

1. That Patricia O'Neal DBA McClain Moving be, and hereby is, ordered to appear before the Commission in its Offices at 111 Doctors Circle, Columbia, South Carolina, on Tuesday, December 20, 1994, at 11:30 a.m. to show cause, if any, why her Certificate of Public Convenience and Necessity should not be revoked.

2. That Patricia O'Neal DBA McClain Moving may respond to the allegations of this Petition within twenty (20) days from the date of receipt of this Order.
